If approaching via Ledbury on the A417 (Ledbury Road): turn left at the roundabout south of Ledbury (direction Hereford) then follow the brown tourist signs for Eastnor Castle. This is to avoid a difficult right-hand turn that will block traffic if attempted in an HGV.

The deliveries entrance to EMF is off the A438 in Eastnor, on the left-hand bend directly opposite the entrance to Eastnor Castle.

Site Rules

The speed limit on site is **5mph**. Exceeding this may result in your vehicle becoming snagged on the temporary roadway. **Do not** use hazards and **use indicators as normal**.
